Reference to Docket 2009-489-E

I am definitely opposed to the rate hikes SCE&G is requesting. I'm sure they could have made many cut backs. For instance...how much did they pay for the landscaping for their new buildings in Cayce. I'm sure they all have beautifully decorated offices as well. I don't get a raise on my Social Security for 2 years...how about their staff, CEO's etc. If we have to cut back why aren't they doing their share.

It's time the PSC stood up for the people they are supposed to be representing.
